

WCOC Club Social Saturday 9th January 2016

Embleton Village Hall 6.00 – 10.30 pm

Come along and enjoy family- and orienteer-friendly fun at this January's WCOC Annual Club Social on the eve of the Club Chase! Instead of a ceilidh, we will be returning to the old format of playing **party games**, solving **quizzes & brain-teasers**, and settling down to some **good food** and a natter.

There will be no charge to attend, but there will be a raffle, so you may wish to bring some cash with you...

As usual we are asking everyone to bring some savoury or sweet food to share, which guarantees there is a delicious buffet for all. The Club will provide a selection of soft drinks and (of course) oven chips! If you wish to drink alcohol, we ask that you bring this yourselves. This year we are also appealing for members of the club to organise an appropriate game or quiz (with or without an orienteering theme.) We're happy to coordinate, but we do need your inspiration and some help! Know any party games you think we'd all enjoy?

So that we know numbers, please reply with bookings and food & game or quiz pledges to Catherine at wetherdale@talk21.com using subject: 'Club Social' or text/call **079 6105 6105**
