National Trust

We support the NT with a donation now and again for their Fix the Fells project. They are running a volunteering day in Great Langdale on Sunday 8th June if anyone is interested. Gloves, boots and waterproofs will be needed for the various activities. Sounds an interesting day out!

Promote our events!

You can pick up a few leaflets at the event on Thursday evening. Would you please find a home for them, by giving to a friend or posting on a noticeboard. We have to take every opportunity to promote what we do!!!

Newsletter The next newsletter is under construction. Any contributions for Graham Watson (editor) should be sent as soon as you can.

Loads of great performances from the club at this event. See the results on the website for the full story.

Many thanks to Ange Jackson for the meticulous planning, and Mike Harrison for the careful controlling. John Taylor organised and the White Team manned the jobs on the day. A good result all round!!
