Autumn & Winter Fixtures

Mike Harrison has published his proposed list of venues for the Autumn Sprint Series and the first half of the Winter Night Series. There is plenty of scope for you to get involved in the planning process, and help stage one of our Thursday evening events. If it is your first foray into the planning of events you can ask someone to help you through the process. It is a good idea to have some help with checking of control sites, and help on the night.
